Experience has shown that most weddings average at about three (3) hours, we would suggest that you first decide when and where, then talk to your minister/pastor/celebrant, the photographer, and the reception centre regards times and timing. This will give you a better idea of the required time, but don't rush things.

Our policy is to not compromise quality, indulging you in a service that goes beyond expectations giving you cherished memories of your wedding day. **Vehicles are elegantly dressed with white bridal decorations, ribbon, tulle, and a rear wheel cover. Red carpet service is optional.**

Our prices are among the most competitive and we are diligent at keeping them affordable. Should you require more than four (4) hours, use the "Add ¼ hour" column to recalculate the price. Our price list should be read in conjunction with the accompanying application that includes our terms and conditions, and method of payment. Please read this important information.
